# ABOUT FORUM OF INCLUSIVE EMPLOYMENT AND ENTREPRENEURSHIP

This **European Event, organized by the European Network of Innovation for Inclusion of *Acción contra el Hambre***, is an annual date that brings together national and European experts in the field of social innovation. It is an inspiring space in which to learn about European priorities in innovation to generate a more inclusive social and the labour ecosystem.

This meeting recognizes and shares best practices in inclusive employment and entrepreneurship from all over Europe and facilitates the meeting of key actors, favoring collaboration and networking.

The event will take place on June 9, 2023 in Madrid with live streaming through our [Youtube](#) channel. The role of the European Social Fund+ for the socio-labour inclusion of people with fewer opportunities will be deepened. In addition, it will be addressed how public policies can influence the generation of greater social innovation for social equality. The latest advances in the creation of Competence Centers for Social Innovation both in Spain and in Europe will also be announced.
